Dear [Redacted]

Thank you for offering the six hundred cubic feet of Office of Strategic Services (OSS) Ground Photo Collection records to the National Archives and Records Service (NARS). This transaction was handled under Job No. NC3-~~226~~-79-1.

We have determined that these records do not have sufficient research value to warrant permanent retention by the Federal Government. We are therefore declining your offer and are returning a copy of your SF 258 (please see item 7B).

Since the records do not warrant permanent retention they should be disposed of immediately. Accordingly, we have enclosed a SF 115, Request for Records Disposition Authority. Entries 2,3,4,5, and 6C, D, E, should be completed by an agency representative and four copies should be returned to this office for formal processing.

If you prefer to dispose of these records through donation to another agency or to an educational institution you may do so in accordance with the provisions of 41CFR 101-11.408-3, after receipt of disposal authority from NARS. We appreciate your interest in offering these records to the National Archives.

Sincerely,

THOMAS W. WADLOW
Director
Records Disposition Division
